

INFECTED RAIN
The Devil's Dozen
14.04.2023

The Devil's Dozen – finally available on DVD/BLURAY – electrifies with outstanding live momentum from one of the fastest-rising bands in metal!

Since their formation in 2008, Moldovan progressive modern metal unit **INFECTED RAIN** have become one of the most exciting new acts in the heavy music world. In November 2021, in support of their much acclaimed fifth studio album, the futuristic *Ecdysis* (2022), **INFECTED RAIN** offered an exclusive concert stream, entitled *The Devil's Dozen*. It was available exclusively online for only eight days. Now, the band fronted by multi-talented vocalist Lena Scissorhands – who has emerged of late as one of the fastest-rising leading ladies of the genre – will release their memorable live momentum that is *The Devil's Dozen*, out April 28, 2023 as DVD/BLURAY and 2CD Digipak via Napalm Records!

Dive deep into the history of **INFECTED RAIN** like never before with a breathtaking full show spanning the past 15 years of the band's history with incredible production and special effects – including rare song material! Featuring songs such as '*Freaky Carnival*', taken of their 86 -album from 2017, and stage warrantors such as '*The Earth Mantra*' and '*Storm*' (both released on their critically-acclaimed break-out album *Endorphin*), the release showcases the band's metamorphosis throughout the years and celebrates **INFECTED RAIN's** impressive career, songwriting and live skills to date. *The Devil's Dozen* electrifies with an otherworldly live momentum by one of the most impressive modern bands within the extreme metal scene; unleashing resonating riffs, cosmic electronics, progressive grooves and Lena's treasure trove of vocal abilities. The band's upcoming DVD/BLURAY is a must-have for every modern metal fan, as it demonstrates ultramodern brutality without sacrificing emotion and melody, performed live by a top-notch, high-voltage and enthralling live act!
