

TIAMAT

An atmospheric and dark jewel!

It has been four long years since the band revolving around Swedish mastermind Johan Edlund let their fans waiting for a new sign of life.

Finally, the successor to the highly acclaimed "Amanethes" hits the streets. It was worth the wait, as "The Scarred People" presents TIAMAT in absolute top form!

Mainly based in hypnotic mid-tempo, the songs combine elements from the legendary first albums and the latest long-players in the impressive TIAMAT discography and offer brilliant Dark Gothic Metal full of emotion and melody.

Starting with the first spin, songs like "Winter Dawn" or "Radiant Star" are irresistible catchy tunes

that will offer numerous interesting details thanks to their sophisticated arrangements.

"The Scarred People" is a grand and engaging album that will not only leave Die-Hard TIAMAT fans craving for more!
