Disco Balls To The Wall
release date: 30.07.21

EN: NYC tribute heroes **TRAGEDY** strike solid gold with *Disco Balls To The Wall* - the best of heavy metal disco inferno!

It doesn't matter at all if you love or hate disco *or* metal - you will unabashedly love **TRAGEDY** and their bombastic, crazy mix of disco, metal, glitter and revelry! Prepare your air guitars and get the party started with **TRAGEDY**'s hottest tribute to **The Bee Gees** and beyond: The New York based cover song reinventors are set to release a best of album chock full of remastered favorites, *Disco Balls To The Wall*, on July 30, 2021 via Napalm Records on 2-LP Gatefold (orange transparent), 1-CD Digipack and digital formats.

The band's first offering with Napalm Records will include **TRAGEDY**'s unique twist on hits such as **Abba**'s "*Gimme! Gimme! Gimme! (A Man After Midnight)*" and "*Dancing Queen*", Grease movie anthem "*You're The One That I Want*", **Toto**'s "*Africa*", **Bonnie Tyler**'s "*Total Eclipse Of The Heart*" and **Adele**'s intense super-hymn "*Skyfall*", just to name a few selections from this insane swirl of greatness. These fearsome brothers drop the perfect selection of all time disco, soft-rock and pop favorites – completely reimagining them as glorious, red-hot heavy metal treatments.

Get your body shaking when **TRAGEDY** start to rock out with **The Bee Gee**'s "*Stayin' Alive*", "*How Deep Is Your Love*" and "*Tragedy*", and headbang to the tunes of **Slayer**'s heavy riffing thrash thunder "*Raining Blood*" combined with "*It's Raining Men*" from American femme duo, **The Weather Girls** in a way absolutely never heard before. *Disco Balls To The Wall* is finally topped by a smashing live version of **Donna Summer**'s fabulous "*Hot Stuff*", featuring Alex Skolnick of **Testament** on lead guitar. What a ride! But the party won't stop as long as there's a repeat button to push heavily!

The concept, while subversive and humorous, goes well beyond what others have done in satirical music - they celebrate the soul of the original song, even while turning the soundscape on its head. The amps are cranked to eleven, but the emotion is not lost. You'll discover new meaning in songs that have been a part of your life as long as you can remember. You'll laugh and cry, dance and mosh, and feel newly connected to the disco-metal that was inside you all along.

TRAGEDY's past releases have charted on the NACC Heavy Top 10, and the band was awarded a 2019 Album of the Year nod by Necrosexual on Metal Injection and described as "one of the hottest bands on the internet" by Loudwire. Due to their energizing and captivating live performance, **TRAGEDY** have already turned venues all around the globe into a hefty disco metal night and are absolutely ready to spread their glittered wings even further with their upcoming, dominating best of album, *Disco Balls To The Wall*.
